

RE-LIVE AN ERA GONE BY

# WHEATLAND EXPRESS

*Western Canada's  
Award-Winning Excursion & Event Passenger  
Train serving East-Central Saskatchewan*

There's always been something magical about train travel, and now you can experience a bygone era aboard the award-winning Wheatland Express Excursion Train. Based in the heart of the Prairies, a mere hours-drive from Saskatoon, our train journey aims to capture the community's rich arts, culture, heritage and history. Time slows as you sit back, breath in the crisp air, and the view of rolling agriculture and vast skies unfold steadily before you to the rhythm of the train along the tracks. Our knowledgeable guides and immersive characters are on-board to enhance the experience with world-class entertainment and tasty locally-inspired menus or showcased products. Passengers can explore the length of refurbished rail cars and discover their unique features and stories. Choose from an afternoon train robbery or an evening meal with a legendary tribute artist's classic tunes. Get caught in a shootout during our Country Cookout or choose to stay overnight in our "Pacific Rose" Sleeper Car. Create memories that will last a lifetime with one of our interactive tours operated through the seasons. **ALL ABOARD!**
