# OUR EXPERIENCE

Arrive at the Cudworth Heritage Museum, a former Canadian National Railway station, that now showcases the town's large German and Ukrainian heritage. Collect your boarding passes from the ticket agent and prepare to experience an era gone by.

Climb aboard and settle into our comfortably refurbished railcars, full of convenient amenities and features, for a three-hour round trip journey. Our English-speaking excursion guides and heritage interpreter are onboard to enhance your experience and serve you with rural charm and hospitality.

The adventure begins immediately, as you encounter a cast of interactive characters and musicians. Explore the length of each railcar discovering their unique histories, or delight your tastebuds in our 1950's diner car with prairie-inspired, locally-sourced ingredient lunches, onboard dinners or three-course banquets.

Stop in at the faux-western town and meet the townsfolk, learn of the rich history and story of the area and the creation and impact of the railway. Breathe in the crisp-clean air and watch the bountiful fields of harvest pass the window. Extend your time with us by staying the night in our exclusive overnight sleeper car.

Wheatland Express lends a unique platform for all-inclusive shared experiences for all group sizes, in every season. Choose from regularly scheduled tours or create a unique charter suited to your needs.
